## HRA-GC is Awarded Superior Merit!

The Society for Human Resource Management (SHRM) in Alexandria, VA has awarded the Superior Merit Chapter designation to the Human Resources Association – Greater Concord, NH (HRA-GC) for its scope of work in perpetuating and supporting the mission of the organizations in 2009.

The Society for Human Resource Management (SHRM) is the world's largest association devoted to human resource management. The Society serves the needs of HR professionals and advances the interests of the HR profession. Founded in 1948, SHRM has more than 250,000 members in over 140 countries, and more than 575 affiliated chapters.

The HRA-GC is one of 31 chapters receiving the distinction in SHRM's Northeast Region comprised of 11 states and 95 affiliated chapters.

"This recognition demonstrates both the leadership and the successful partnership the chapter has with SHRM to serve the networking and professional development needs of human resource professionals and to the advancement of the human resources profession" noted Pamela J. Green, SPHR, Chief U.S. Membership Officer for SHRM.

The HRA-GC chapter receives a Certificate of Recognition, a specialized banner to display at its meetings and events, and is being recognized in SHRM's publications and at its conferences.
